Ah! my dear Holden, it is with feelings of no ordinary emotion, that poor Roundabout "takes his our Court House, on Friday evening last. That occasion was one of great moment, to the little " politicianers," who have been "longing and thirsting," for a time, when the great fish would visit them, and cheer them with good tidings-good things, only to be appreciated by the hungry souls of Whiggery.

The meeting was a very respectable one—public of esteem and affection, and of love and friendship, expectation was riz, because it was understood that with which his lite and his character, his gentle bear-Picavune" would address the Club; so you may well imagine, old Pic had a crowd.

Dr. Hicks being the first man called out, rose like Light-Bread-only to fall again, or to become insipid. He excused himself. Sion H. Rogers, the "future promise of Whig-gery, in Wake," next occupied the floor. Sion is

style, in praise of the "old hero"-and that was about the "sum and substance" of his entire remarks -a kind of political castigation, also, to those who wouldn't be Whigs as was Whigs. Upon the whole I don't know if Sion didn't do well, when we consider that the political roads of Whiggery are muddy, and up hill, "all the way."

Next man on docket, was Mr. Lumsden-at his approach on the stand, a general out-burst of applause made the neighbors wonder! Well, who can blame men for their enthusiasm-which they, themselves,

can't help it!! Mr. L. commenced, by telling the Club, that he was a North Carolinian-that he was a son of old John Lumsden-that he served his time to the printing business in the office of the Raleigh Register, where he got all the education he possesses-and that was enough; he didn't want any more-wouldn't have any more, because he would be too smart, with "Well, never mind about that." He loved old Carolina-he loved her people-he read her papers-he watched her political movements, and whenever she was right, it rejoiced his heart. "Well," he lived down in a little State South, called Louisiana -the sweet State-the Sugar State. Well, he had travelled around considerable in the four months past -he would tell the Club what he knew, and what any where about. Orator Tant responded in the affirmative.] "Well, Mr. President, I have been not to tell them here; but, that can do no harm now. Well, sir, every thing is right in New York-they told me so, and if they had known who I was, they wouldn't told me. But, never mind-can't do any harm-where's that short-coat man, Roundabout-["He is here," cried Orator Tant.] Well, lethim take notice, but he must report me correctly. Well, Mr. President, all things are right in New York—the dollars are ready to work on the sinews, and the wires are set, and at a proper time they will be pulled. Mr. L. pledged Louisiana for Scott and Grahamhe would be happy if some good North Carolinian would assure him, with equal confidence, of the vote of the good old North State. He said a great deal. He frequently enquired for Roundabout, and was as

tor Tant, that "he was here." I have endeavored, Mr. Editor, to report the "talk" of the Picayune man, correct-leaving out a great many repetitions, and one or two sentences, in which profanity occurred. Were I to give his speech, verbatim, you would have, in substance, no more than above reported. So you see the great Bombshell of Louisiana Whiggery has exploded in Raleigh, and not a man hurt! For fear of being charged with doing the Orator injustice, I would remark, that much gentleman sanctioned every thing said, I must be a owed to doubt.

Henry W. Miller, Esq., being called on, made his appearance. He could not pledge to his friend, from Louisiana, this State for Scott and Graham-he was not authorized to pledge the vote of Whigs; but, if they would all vote, as in '48 and '40, he could assure his friend that North Carolina would vote the Whig ticket by 10,000 majority. He could not account for the great apathy of the Whigs in this City! What had they beard? What had they seen? Every gathering which he has attended, exhibited en-thusiasm for Whiggery—the Whig fires were burning brilliantly everywhere, save in Raleigh; and the eyes of the whole State were centered upon the Whigs of this City-from this place, it was expected, the fires would be first kindled; but he was sorry to see otherwise. He talked about the Public Lands, only a repetition of his stereotyped speech-he was particguage, which only created in the bosom of R., a heartfelt sympathy for Henry W. Miller.

Mr. Miller said that the man who first promulgated the slander that Scott was or had been a defaulter to the General Government, his tongue ought to wither in his mouth—it would wither in his mouth—he proclaimed it boldly, fearlessly and upon the housetops. Let the Locofoco eavesdropper report this to the Standard. [Here it was, that the Orator applied his " willing blade " to the throat of Roundabout. Probably it would be well for Roundabout to stay away, The New York Day Book, a Whig paper, thus as his presence creates in these Whig meetings, much excitement-delays business, and thus incurring to the Club unnecessary expense, in the consumption

I am sorry to see the old leaders of Whiggeryup to whom, the little "spartan band" have a right to look for better things, giving up, doubting, exhibiting unmistakable signs of despair. Mr. Miller did pledge North Carolina for Scott and Graham to the Baltimore Convention, by 10,000. Now, he says, it will go thus, i/, &c.

Thus passed off two hours in the Court House of Wake. When the Club meets again I will be ROUNDABOUT.

Segars of the most approved Brands. Sept. 24, 1852. A Splendid Farm & Residence for Sale

IN THE COUNTY OF FRANKLIN, Subscriber, wishing to remove and dev time to his profession, offers for sale, his Farm, lying on both sides of the road, leading from Louisburg to Warrenton, three miles from the former place, twelvemiles from Jones' White Sulphur Springs and 15 from

Shocco. The Tract contains 1500 Acres of as good Land as can be found in the county, in a high state of cultivation, and admirably adapted to the successful culture of the best Tobacco, Cotton, Corn, Wheat, &c. The plantation is nearly equally divided by a never failing. stream, irrigating about 3000 acres of as rich land as avarice could desire. The upland is agreeably diversified by hill and dale, easily cultivated, and very productive. In tact there are few locations in North Carolina offering as many inducements to the intelligent agriculturist as this. The improvements consist of a large and commo-dious MANSION HOUSE containing 9 rooms, well built, and in excellent order, enshrined in a beautiful grove of magnificent oaks, every necessary out house, Tobacco Barns, Stables, Carriage -house, negro houses, brick spring house, and a Spring, at wnose gushing fountain, Hygeia herself might delight to linger. Sitnated in a high, healthful region of country, abounding in the best and purest of water, in a neighborhood pro-

Louisburg, it is believed this location is unsurpassed in this region of the "Old North State." The Subscriber invites the attention of persons wishing to purchase, assuring them, that the terms shall be PETER S. FOSTER.

A GOOD OPENING.

Hotel for Sale in Franklinton, N. C. THE Subscriber offers his Public House and premises, in the town of Franklinton, Franklin County, N. C., for sale. This Establishment is situated on the Ra-10-4, 11-4, and 12-4 Bath Blankets, Maccannan leigh and Gaston Rail Road, which will, when the Central Rail Road is finished, be the main thorough fare from leigh and Gaston Rail Road, which will, when the Cen-Servants, Plaid, Saddle do. A large and well assorted North to South. This is the only Public House in the place, and presents inducements rarely met with in any other village. It has been an eating House for passengers for the last four or five years, who have for some time past been eating twice a day; and I have not the least doubt but it will be kept up as an eating House. The House is large and tolerably conveniently arranged for the business, and has lately undergone considerable repairs. I would give a good bargain in this place. My only inducement in wishing to dispose of this place, is, that I am worn out in the good cause of feeding people, having been in the business for the last 12 or 14 years. If I should not sell by the 1st day of December, I would rent or lease. Persons wishing to engage in this business would JAS. L. THOMAS.
